Read it! It will change your thinking and life.

Scary as Hell. This book will keep you away from the idea of sinning. An idea that is mostly forgotten by clerics and faithful catholic as well.

Great authorship! A must have

Has helped me a lot on how to live my life, the point of life, and how God judges us. Defiantly a must read. Some friends of mine says the stories of some of hell get's too frightening for them but even though that is an extremely important half of the book, the how to avoid hell section should still be read.

Thx

Looking for that motivation to return to the church? Order this book. It is not happy-happy-joy-joy holding hands singing Kum-bah-ya. It's just the truth.

If you have questions or are interested in what happens after we die, this is the book for you. Actual cases of people who have died and what they experience in the afterlife. This book is a must for **EVERYONE!!**

Another great book for traditional Catholics. Highly recommended.
