Customer Reviews

“Martin is above all serious. He is not speaking about madness, about illusions or the irrational, but about the real beyond all reason.... He presents exorcism as ... a titanic clash of wills that threatens the lives, the sanity, even the souls of all attending.”

(Newsweek) “Martin’s polished contemporary sense of traditional theology entices even the skeptical.... Stunningly pertinent ... Will set you thinking-and thinking-and thinking.”

(Detroit News) “The most shattering book on demonic possession isn’t fiction at all but Malachi Martin’s spellbinding work of interpretive reporting.” (New York

(Sunday) Daily News) “In the barrage of books on possession and exorcism, this is undoubtedly the most authoritative and convincing.” (The Washington Post Book

Review) “Malachi Martin ... was the greatest expert on the subject of possession and exorcism in the English speaking world.” (M. Scott Peck, M. D., author of Glimpses of the

Devil) “Hostage to the Devil is the first and only textbook on the subject of possession and exorcism in modern times. It is the only work to describe the stages of exorcism and it is obviously based on an enormous amount of personal experience. ... a brilliant work.” (M. Scott Peck,

M. D., author of Glimpses of the Devil)

A chilling and highly convincing account of possession and exorcism in modern America, hailed by NBC Radio as "one of the most stirring books on the contemporary scene."

Really creepy...teaches a lot. Don't read this in an empty house on a rainy night. .. scared me half to death.

Scary and informative.

In a culture focused on the material world, which recognizes only what we can touch, feel, see and "science" --- this book from decades ago is most timely...to document the reality of incarnate evil. There really is a supernatural world, unseen but real, the world of the good God we are fighting to exclude from our society...calling it NOT real, only a myth. We need REAL reality.... God, author of life, who marks each one of us as individuals in this battle with the Devil who is no myth, will bathe you in the truth of the supernatural life of our souls. This book by Malachi Martin dramatically documents actual exorcisms. No other study this authentic has been written. I challenge you to put it down after you read 20 pages or so. Jerry Urbik (Elmhurst, IL.)

Exceptional book on exorcism practices by a very knowledgeable person. Reality. Not fiction nor lighthearted. Rev. J. Burnett, Ph.D., P.E.

As described A+

If you do not believe than I don't know why your even in this section. If you believe, than you will really enjoy this book. It is one of the best IMO. I have read them all, Devil in conneticut, Dark sacrament ect... It is up there with those 2. Very hardcore, no children ghost in this one. Just big bad horrifying DEMONS!! 6 great stories, Must read.

I bought this book in spite of a preconceived notion that the churches go about exorcism the wrong way. However I have such a high regard for M Scott Peck, that when he recommended this book, I thought I would buy it. I have to commend Malachi Martin on the effort he has gone to to try and communicate the state of mind of the participants before during and after exorcism. I don't accept all

his explanations, but I have come away a lot more sober, and with still some questions that trouble me. Of one thing I am more certain than ever, this is serious stuff never to be underestimated. My favorite book by Dr Irene Hickman (Remote Depossession) describes a non-contact technique she invented for interacting with discarnates and removing them. It would be very nice to know that she simply never met discarnates as willful and evil as those described in this book, but until the church collaborates with a practitioner of spirit releasement, we will never know. Certainly the physical issues described of the individuals possessed appear on the surface to be much more severe than those Irene healed.

Malachi Martin never fails to deliver due to his inside knowledge of the bare facts in the religious world of secret beliefs and rites that are none biblical that are found repeatedly in the Roman Catholic Church today as well as their first creed back in 325 A.D.
