Kuan Yin: Accessing The Power Of The Divine Feminine

Synopsis

"People call on Kuan Yin for many reasons-to keep them safe while traveling, to bless them with children, or to help them through a trying time. I have heard tales of people who were cured of serious diseases after seeking her blessings. This compassionate goddess has many manifestations, as you will soon discover. Because of this, there are myriad ways in which we can invite her into our lives, and many dimensions to our experiences of her." Book jacket.

Kuan Yin

I LOVE this book and the illustrations.

This book is nice. It has wonderful artwork. I think the artwork is really the best part of the book. Some of the writing is written and reads as "hearsay" rather than historical or deeply researched information. I have a preference as a reader and prefer information that has historical solidity. This book has a "new age" kind of feel...it's just ok, but the artwork...Excellent!

I loved the beautiful illustrations and other visual images of Quan Yin. The writing is easily

understood and it is nice that the author takes the reader on a spiritual tour of Quan Yin. The author leaves it to the reader to choose their own path to study and achieve compassion. This is the exact reason I chose this piece of literature. To study a path to compassion.

I have read many books about Kuan Yin. This is one of the best. I can feel so much love from Kuan Yin by reading this book. And the author did a great research work writing with respect. The artwork is amazing that truly reflects the compassion spirit of Kuan Yin. Highly recommend!!

This book was shipped very quickly and it looks lovely. There is lots of information and the pictures are very beautiful. I do not know much about Kuan Yin, as I got the book for my mother, who's favorite Goddess is Kuan Yin, for Mother's Day. I've never been very interested in spiritual goddesses, but this book is so fascinating that I might have to ask her to borrow it once she's done with it. I think it would make a very lovely gift, and it was wonderfully priced; I would have been willing to pay much more for it.

Arrived much earlier. The artwork is beautiful and the historical facts are great

This book is a lovely introduction to Kuan Yin, highlighted by lovely artwork of Kuan Yin in all her incarnations. It's more than a book to put away after you've gone through it; it's a book to keep open to whichever page speaks to you at the moment and from which you can draw inspiration.

A lovely little book with beautiful illustrations that covers Kuan Yin in all her aspects. I highly recommend this book.
